Thank you for showing an interest in volunteering your services to the Boys & Girls Club of Manchester (BGCM). We are continually looking for individuals willing to make a commitment toward today's youth.

There are many opportunities available for volunteers at the BGCM; some very specific, such as tutors, art assistant, and kitchen aid. Each service has equal importance to the Club and the members who come to the Club looking for guidance, growth and friendship.

Due to the nature of our business, the BGCM must be selective in who they chose as volunteers for the organization. To do this, the BGCM has developed a volunteer screening process. All portions of the process must be completed by an individual before volunteer service may begin. The process includes the following: a volunteer application form, introduction to the BGCM, including a tour of the facilities and description of services available, an interview with the volunteer coordinator, an interview with a direct supervisor, criminal background check, signed agreement form for length of service, signed service description and an orientation to the BGCM.

The BGCM hopes this brief description of the volunteer process has been helpful. Attached you will find a volunteer application form. Once completed, please schedule a time to meet with the volunteer coordinator to learn about the service opportunities available at the Club.

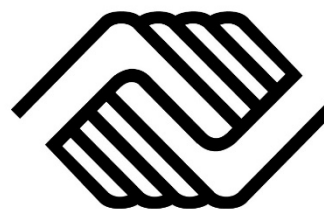

Please note, volunteers are not considered employees of the BGCM and, therefore, are not eligible for worker's compensation if an injury occurs during your volunteer time.

Sincerely,

Wendy Allen
Volunteer Coordinator
