April Vacation Camp

Call to register, spots are limited.

April vacation is quickly approaching. If you would like your child to attend April Vacation Camp and haven't registered them or paid for the week, please call the Clubhouse ASAP to complete the registration process. Each child is \$125 (if paid by April 12), and will increase to \$150/child after April 12.

The theme this week will be Cruising Around the World. Flyers for Camp will be released the week of April 8.

Spring Hours will change following April vacation. Beginning Monday, April 29, the Club will be closing at 7pm.

Dear BGCM Families,

We would love to welcome spring, but in true New England fashion, the winter weather is still upon us. Please remember to check WMUR for closings. Also, be sure to send your child with layers to keep them warm while they are at the Club.

We are thrilled to welcome new staff members to our team. **Kaitlyn** (Art Director) has experience in animation and illustrations. She is excited to share her art skillset with our members. On April 5, **Isaiah** (Performing Arts Director) will be joining us. He is an alumnus of BGCM. He is in the process of finishing his last semester of school and will have a BA in Theatre Arts/Dance. Please stop by STEAM or the Performing Arts Center to meet them. We are also excited to welcome **Ashley** (Director of Marketing & Communications). Ashley joins the team with several years of non-profit marketing experience. You will see her attending activities and taking pictures of Members to use on our social channels and in our marketing materials. If you are at the Club and see her, please introduce yourself; she'd love to meet you!

We'd also like to congratulate **Tyler St. Onge** on being named Staff Member of the Month, and **Abby Guimont** for Volunteer of the Month.

REMINDER: Registration for April Vacation Camp is OPEN! Please be sure to call to register.

Sincerely,
BGCM Staff
