November 2024

Hello BGCM Families,

While we are grateful for our families all year, we are extra thankful for each of you during National Gratitude Month!

This month we are celebrating being together and taking the time to give thanks for all that we are grateful for - our amazing members, their families, and our community!

On Wednesday, November 13, we invite all of our families to our annual Thanksgiving Family Dinner in the gym from 5-7pm. We will have a delicious dinner prepared and fun games and activities.

Our staff have been working hard preparing a fun-filled November. Be sure to review the events, clubs, and programs available to your child.

As always, we wish our members and their families warmth and joy in this wonderful season and hope you all have a bright and beautiful Fall!

Thank you,
BGCM Programming Staff
